

INTERACTION PATHWAY OBSERVATION

Student: _____ Date/Time: _____

Staff Observed: _____ Location: _____ Activity: _____

Directions	Interaction Pathway Diagram	
	Staff Action/Response	Student Action/Response
<p>Use the Interaction Pathway Diagram to identify and record the series of interactions (verbal and non-verbal behavior) involving both staff and student.</p> <p>The pathway may begin with either the staff or student.</p> <p>End the pathway when a pattern of reciprocal responses is clearly identified.</p> <p>Pay particular attention to the reciprocal responses from the staff and subsequent impact on the student's behavior.</p>	<div style="background-color: #cccccc; height: 50px; width: 100%;"></div>	<div style="background-color: #cccccc; height: 50px; width: 100%;"></div>
	<div style="background-color: #cccccc; height: 50px; width: 100%;"></div>	<div style="background-color: #cccccc; height: 50px; width: 100%;"></div>
	<div style="background-color: #cccccc; height: 50px; width: 100%;"></div>	<div style="background-color: #cccccc; height: 50px; width: 100%;"></div>
	<div style="background-color: #cccccc; height: 50px; width: 100%;"></div>	<div style="background-color: #cccccc; height: 50px; width: 100%;"></div>
	<div style="background-color: #cccccc; height: 50px; width: 100%;"></div>	<div style="background-color: #cccccc; height: 50px; width: 100%;"></div>
